Dear Tom and Shondra,

Thank you for making my dad's 90<sup>th</sup> birthday bash on January 30<sup>th</sup> at the Sedona Hilton a smashing success. All of our family members and neighbors have been saying it's the best party they've ever attended! It was just so much fun.

I think of it in 4 parts:

- 1- The background music during cocktails and dinner was perfect so guests could enjoy and hear each other while still keeping the party lively.
- 2- The show that you put on, a half hour of Broadway tunes- was fabulous and a special treat for guests.
- 3- The dance music and singing which you provided live was great – you could tell – because everyone was up dancing all evening.
- 4- The crowning moment was the special song that you wrote for my dad, putting special words in a funny and satirical fashion, to a familiar Benny Goodman tune. My dad still enjoys listening to the CD and reading the words to the song. He commented that you “hit the nail on the head” with his life's activities and antics!

Your special talent for making all guests feel welcome and engaged is especially wonderful. I look forward to working with you on many other events. Can I reserve you now for my 90<sup>th</sup>? ☺

With warmest thanks,
