Re: King Wedding - July 27, 1997

Dear Tom and Shondra::

The Wedding is over and we, and Jill and Steve, are left with wonderful memories.

You both were fabulous, and certainly were a major force in all the fun and frolic.

Your music before and during the ceremony set the stage for a happy wedding party. We appreciated the smooth flow of appropriate songs for the many dances and special events of the day. You took care of it all in very good taste.

All our guests were happy and joined in the fun. I've also had many friends make positive comments about your work and beautiful and moving singing.

Have any prospective client call us and you can be sure of the highest raves for Tom and Shondra.

It was our pleasure to work with both of you. Thank you.

Sincerely,
