Dear Shondra and Tom:

Both Chris and I want to commend you again for making our 40th Wedding Anniversary Party in Phoenix such a big hit.

Our guests were surprised and delighted when "Gladis and Harry" arrived; they truly thought that the "quirky tourists" may have been a long lost couple on my side of the family. Everyone was excited when they realized you (Gladis and Harry) were the entertainers for the afternoon and evening! What fun they were and their outfits were incredibly creative.

When you returned after your Gladis and Harry routine, as Shondra and Tom, we were treated to a glorious day and evening of song and dance. We were surprised that even the littlest ones (2 year olds on up) got on the dance floor and showed their stuff.

Your selection of songs was perfect. Everyone enjoyed dancing or they were content to just listen to your marvelous vocals.

All in all, our 40th Anniversary party was better than our original wedding reception as we all gathered in the spirit of love, family and friendship.

Thank you both for making this day one we will cherish forever. We would be pleased to recommend you to anyone who wants to have a truly memorable occasion.

With best wishes,
