Dear Tom and Shondra:

We can't begin to thank you enough for the fabulous job you did at our wedding reception. Not only did you ensure that the music was perfect, but you also corrected all the defects in the preplanning upon your arrival at the country club. The fabulous and totally professional MC abilities combined with incorporating the songs we had chosen AND singing all those beautiful ballads created a beautiful atmosphere and ensured a smooth flow throughout the event. AND, you guys are sooo FUN! Incredibly talented, absolutely professional, fun – and sweet. We couldn't have asked for more. We'll be recommending you to all our friends.

Love and Every Blessing,

Thomas and Susan
