

Seaside Church of Religious Science

Reverend Dr. Christian Sorensen
Senior Minister

Hello Shondra and Tom:

February 2, 2002

It saddens my heart to hear of your plans to relocate from the San Diego area. What is our lose, I know is a tremendous blessing to wherever you go. The quality of your voices, the production numbers you've created and the humor in your shows will live in our hearts always. Having sung in San Diego since the early eighties, you've become an icon in our town.

Your charismatic qualities will continue to enrich whatever events you chose to get involved with. We will miss your seasonal shows. They have become loved traditions around here. I know, wherever you go, they will find as much enjoyment, pleasure and entertainment from the excellence you bring to your musical art. You two are a gift and have been greatly appreciated by Seaside and me!

In love,
